For Immediate Release.

(Calgary, Alberta) -- One 4 Yacht Fractions announces 2 new international luxury yacht lines at Calgary Boat Expo. The range of opportunities available to live the luxurious yachting lifestyle on Canada's Pacific Coast have just expanded as a result of One 4 Yacht Fractions' recent agreements with Dufour Yachts of France and Tartan Yachts of America.

As a result of the agreements, One 4 Yacht Fractions now offers 7 different premium yacht lines within its fully-managed fractional ownership program.

Nuno Miguel Alves, One 4 Yacht Fractions' president, stated: "We are extremely pleased to be offering the Dufour name as it is one of Europe's most respected lines, based on a rich historical legacy. I myself had the opportunity to tour their production facilities in La Rochelle on the west coast of France this past year and was very impressed with the people I met. It became clear this was a group of people who were very proud of the yachts they were producing and the legacy of success they have built over the past 40 years."

In addition to Dufour, the company has announced the addition of Tartan Yachts. "We've had an existing agreement with Yacht Sales West, dealer for Tartan Yachts, that has been successful in terms of a separate line (Bavaria), so we had a good track record to bring to the table."

Both of the newly announced lines reflect One 4 Yacht Fractions' philosophy of working only with premium yards. The specific models offered are the Dufour 525 Grand large, and the Tartan 4400. While the company is unable to exhibit the yachts themselves, due to their size, at the Calgary Boat Expo at the Telus Convention Centre Jan 31-Feb 3, representatives will be available with video and photo presentations.
